Identity Dixie also strengthened its vetting process after Unite the Right. It developed a “Listeners Group” Facebook page to screen prospective members. Lucas Gordon and leadership made this change after an abortive attempt to onboard longtime neo-Confederate movement malcontent Tim Manning. Manning was blackballed from ID and the broader alt-right in summer 2017 after a news outlet used his posts on The Daily Stormer under the handle “SCNazi” to reveal that the far right was scheduling lodging for the Unite the Right event using Airbnb.

Tim Manning goes by SCnazi on Twitter, the TRS forums, the Daily Stormer Book Club forums, and on Soundcloud.

We know it's the right Tim Manning because he joined the Identity Dixie Smokehouse vetting group in Facebook. This screenshot is from an archive of that vetting room taken in early July 2017.

6) That photo is still used on his Facebook profile that now lays dormant.

Tim was coordinating the accommodations and travel for his fellow Nazis in the South Carolina chapter of the Stormer Book Club.

Stormer refers to The Daily Stormer, which is an infamous Nazi website.

[@O.W. von Diez](#) Count me in. I'm the S.C. SBC coordinator. I'm sure at least a few of us from Columbia would be capable of doing something like a house at a vineyard. Let me know.

Tim's "fake shower rooms" reference is about the fake shower rooms the Nazis used to gas Jews in the death camps.

I found the <#321379883135664128> channel. Very helpful, but it appears that I'm the first from SC. At least we a have a solid group. Fucking first in secession. First is rebuilding fake shower rooms.

Dude, you have no idea how much @SCNazi does for this movement, and has done for his whole adult life. To call out the action for the damage done is fine; to speculate as to malicious intent without knowing anything else about the man is fucking kike-tier fake news. The man apologized sixty-gorillion times. You all kept kvetching. He's been kicked from here and God knows what else. Yet, the bitching continues. He's working, even now, to mitigate the damage and maintain the highest level of attendance possible amongst those affected. So you have his apology, his digital scalp, and - still - his cooperation, yet are unsatisfied. What else is required/expected between grown men!? The only people who keep harping on even after they've been given everything that can be given are women, niggers, and kikes. On which group are you modeling your current behavior?

I'll tell you this: taking him off the field of play, so to speak, cripples - hell, all but virtually disbands - the South Carolina SBC.
